CHAIRMAN
(Scholars International School)

SCHOLARS INTERNATIONAL SCHOOL is my dream project even I have faced a series of hurdles and obstacles. We aimed at creating and providing a global educational environment in the district of Purnia in particular and state of Bihar in general.

I am sure that parents will soon realize that **SCHOLARS INTERNATIONAL SCHOOL** has been instrumental in propagating and implementing a ground breaking educational revolution in the state of Bihar in general and district of Purnia in special.

We assure the parents that our school will promote a safe, caring and supportive environment to the youngsters. We believe that education gains its significance and value when the right kind of impacts are received from the right kind of people in the right environment. Unless education is based on a strong value, system and ethical background, it will not stand against the smallest wind of change.

At **SCHOLARS INTERNATIONAL SCHOOL**, Sukhsena we endeavour to provide our children an environment where they may go beyond learning, what is simply prescribed by the syllabus.

Last but not the least my earnest request is please, secure your child's future in collaboration with **SCHOLARS INTERNATIONAL SCHOOL**. In our ceaseless quest for excellence, we solicit your support to strengthen our commitment as "Each child is unique, like a crystal of snow and splendidly beautiful in their own way. The only thing required is to understand them and to explore them according to their talent".

Dr. Rajeev Kumar
Ph.D.

OUR VISION

To create an empowered, inspired and progressive community of learners who achieve and contribute positively towards humanity at large.

We believe that the pursuit of excellence rests on the positive belief of developing the qualities of integrity, honesty, trust, compassion, sense of nationalism, social equality and communal harmony. Create the scenario that enable the students profuse, confident, aspiring and well adjusted individuals in their chosen vocation. Prepare the students to be motivated towards self directed learning that shall ensure life time success.

OUR MISSION

- To empower the new generation of truly global Indians to enrich thoughts & feelings incorporating new ideas to add newer dimensions to holistic learning and motivating students to realize their potential and capitalize on their strengths.
- To inculcate an understanding of inter connectedness of all life and the living.
- To develop compassion beyond ones immediate surroundings.
- To understand and respect the differences.
- To help acquire skills of critical thinking, communication, collaboration and creativity.

We are fostering an environment to make the learning more and more useful by creating the innovative atmosphere nurtured by self investigation to enquire, explore and to develop personality to find the truth in the best sprit of friendship, especially in a different situation, very brave and determined not willing to accept defeat, students will find here a wide range of activities and interests and a sprit of excitement through well qualified and competent staff. The school will provide an environment where the pupils will learn holistic blend of culture, literary and co-curricular activities, combined with a vast array of games and sports activities.

OUR AIMS

Educating contemporary minds with futuristic mind sets and dynamic outlook moulding our students to be excellent, analytical and intelligent decision makers right from start to finish. In the process, all steps have been taken to follow the directions of NEW EDUCATION POLICY - 2021 and required latest technologies / techniques in imparting education have been incorporated. We emphasis on relevance of developing the potential of each student, equipping all students to be self directed learners and encouraging them to make valuable contribution to the family, school, society, nation and the world as a whole. The students will get conducive academic environment in the school campus that will help to strengthen students overall personalities with character building, teamwork, physical development and sense of leadership. The Continuous Comprehensive Assessment (CCE) pattern as directed by the CBSE has been implemented by the school authority in all encompassing manner to develop the multifaceted implications of a child's personality and potential to the fullest. We always believe in providing holistic education and CCE has lent a new impetus to achieve the goals.

In keeping with the fast charging global scenario, management will adopt changes to provide an environment conducive to learning and healthy competition. We believe in continuously ensuring that a child's root are firmly embedded in the traditional Indian values of honesty, integrity and compassion and extract out the best in him.

Why SCHOLARS INTERNATIONAL SCHOOL, the best choice for your child?

Shree Khagesh Chandra Jha Charitable Foundation was formed as non-profit making society, and registered under the Indian Trust Act 1882 with aim to impart comprehensive quality education to develop the varied facts of a child's personality - physical, intellectual, spiritual and emotional.

The trust began its journey 23 years back as a charitable trust contributed a lot in the field of education and subsequently opened a number of colleges in Bihar, Haryana and other states of India to impart education to the needy and deserving society.

After tremendous success in its endeavors the benevolent trust formed a group of Educational Colleges in the name of SCHOLARS GROUP OF EDUCATION with a dream to establish more colleges in the field of Pharmacy, Paramedical, Nursing and English Medium Schools in remote areas to serve the needy people who failed to dream a good school of international level in their areas due to various reasons like social, geographical, economical, where their kids would develop their potential to the fullest, armed with confidence and determination to achieve success in their endeavors.

Therefore, after due consideration and keeping in mind the social, economical and geographical conditions of the area the trust resolved to start an ENGLISH MEDIUM CO-EDUCATIONAL SCHOOL in the name of SCHOLARS INTERNATIONAL SCHOOL at Shree Khagesh Nagar, Sukhsena, Purnia (Bihar).

The school will excell in providing a holistic education to its students by offering a National Curriculum in an environment that fosters excellence in school life amidst wide open spaces. The school will provide opportunities to promote the natural ability of children to learn through development of their cognitive & thinking skills.

Apart from academics, SCHOLARS INTERNATIONAL SCHOOL ensures that students will be provided all opportunities to sharpen their co-curricular inclinations through sports, performing and visual arts, oratory and other creative pursuits.

The management believes that there is always room for further improvement and manifest, keen interest in all the new development in the field of education. The idea is to develop a modern outlook in the students with their roots embedded in the Indian culture and to mould them into progressive and reasonable citizens. Therefore, by opening SCHOLARS INTERNATIONAL SCHOOL have a ray of hope is going to be fulfilled.

On-Campus & Off-Campus Initiatives

SCHOLARS INTERNATIONAL SCHOOL encourages its students to excel not only academically but also at co-curricular spheres of life. It is our strong belief that the young generation of this country, who are the inheritors of our rich cultural heritage, must be encouraged to respect and preserve it. It is with this aim that Scholars International School has started several on-and-offcampus initiatives to promote these skills and values among its student community.

We allow young children to explore the outside world as we believe that learning cannot be confined within the four walls of the classroom and that there is no better teacher than nature. Students are encouraged to ask questions because we believe that a curious mind is the receptacle of learning.

A World of Opportunity Beyond Academia

A healthy body and mind that can appreciate nuances of aesthetics in nature and diverse human activity is the sine qua non for becoming a balanced human being. To facilitate this, the school's calendar contains a host of co-curricular activities that cover a very wide spectrum. Performing and visual arts, sports and games, environmental studies, meditation, and yoga are practised as a part of the routine. Children are exposed to real world experience through interactions with the community, trips, and excursions to places of historical and social importance and by getting them to interact with experts and resource persons from various fields of human endeavour.

THE CURRICULUM

The curriculum has been prepared with great concern so that each students potential is realized. It does not burden the child, rather it makes learning enjoyable. It is based on New Education Policy - 2021 and NCERT guidelines and students are prepared for CBSE examination. Each student is considered to be unique and the commitment is to give a creative environment that is activity based and is close to real life. The approach is to equip the students with right tools to acquire knowledge and not simply to stuff them with information. Our Curriculum supports the natural developed to child. The teacher serves less as an instructor and more as a facilitator.

SCHOLARS INTERNATIONAL SCHOOL follows an educational system based on 10+2 pattern of instruction under the CBSE. The school system comprises of the PREPRIMARY (Nursery and Kinder Garten) LOWER PRIMARY (Class I - V), UPPER PRIMARY (Class VI - VIII) and SENIOR SCHOOL (Class IX - XII).

The teachers of SCHOLAR INTERNATIONAL SCHOOLS are not only committed to effective classroom teaching rather go beyond and become guides and mentors to students. It is our endeavor to foster independent thinking, exploration and experimentation as a life long learning process. Our teachers wish to develop a mastery of skills of good communication, the ability to think clearly, logically and independently and understand and appreciate our rich culture, ideas and practices. We believe in providing the platform which challenges the young minds and instils in them a pride and glory to strive towards attaining the unknown life journey with full confidence.

As we follow the syllabus prescribed by the Central Board of Secondary Education (CBSE), it is our constant endeavor to direct each child to become a motivated learner. Our curriculum has been structured to ensure that knowledge is imparted through a combination of resources and techniques. Thus making the learning process exciting and easy to comprehend classroom teaching, multimedia, co-curricular activities and excursions trips help children to gain insight and knowledge at various levels.

OUR UNIQUE PEDAGOGY

For allround development like, Intellectual, Mental, Physical, and Spiritual progress our unique pedagogy will help a lot.

- **Our Excellence**

We guide each child to unlock his/her true potential so that he/she can set new milestones towards personal excellence. We instill in each child the will to succeed, light the desire to win and inspire each child to reach greater heights of glory.

- **Holistic Development**

Each child is unique and special, and keeping it in mind, an efficient and effective education system is incorporated that can provide holistic development to all the children.

- **Personal Attention**

Each student's overall progress is closely monitored and it is ensured that each child inculcates the skills and confidence to successfully face all the learning as well as life challenges.

- **Best-in-class Infrastructure**

We have state-of-the-art infrastructure that aids in the smooth and efficient dissemination of learning in the most student conducive manner..

- **Safe Campus**

We have a well-equipped CCTV monitored safe and green campus. Entire campus is environment friendly with 100s of varieties of flora spread all across the campus.

ACADEMICS

The use of the computer and television make classes more interesting for both students and teachers. Value Education or life sensitization programme are lessons to be caught and not taught. The future of our country is planned in the class rooms of today and so a firm foundation of values and convictions is being imparted through example setting, story telling and enacting, open sharing, discussions, awareness building and think tank sessions.

The academic year has been divided into three terms. In each term two rounds of cycle tests are conducted in every subject. Students are graded according to their performance in these tests. Towards the end of the every class, revision of the entire years syllabus is done and a round of annuals is conducted.

ACTIVITIES

Activities are the core, the basis by which education is to be imparted at our school. The learning of the child is not to be gauged by just how knowledge she/he is at end of the schooling but how competent how reflective and how creative he/she is. Students are equally encouraged to be artists, musicians and sports-persons, as they are prepared to become doctors, engineers and bureaucrats as well.

Activity based teaching learning has been planned for each level. As far as possible, activities are also integrated with learning experiences in the actual world.

While planning the school curriculum, emphasis has been placed on activities for the pre-primary, lower primary and upper primary, the suggested activities by the NCERT in its guidelines have been incorporated at all levels, wherever feasible, keeping the age group of the student in mind.

Co-curricular activities, such as sports and games, dancing and singing, theatre, reading and art & craft have been incorporated into the syllabus so that young ones develop their expression and build up a positive self image. To give a healthy competitive edge, various competitions such as Dance, Drawing, Painting, Recision, Story Telling, Sports & Games, Judo & Krate and other activities have been planned.

Celebrating various occasions and festivals such as Birthday, Mother's Day / Father's Day / Independence Day / Teacher's Day / Raksha Bandhan Day / Janamashtmi, Dussehra, Holi, Dipawali, EID and many more. This way the students will grow up to appreciate the rich culture, tradition and literacy heritage and will learn to be tolerant to other communities. They will also learn to work as a team and develop the skill of planing and organizing functions and events.
